## Aloe Supplement

Perfect Aloe Matrix (PAM) is a herbal dietary supplement specially formulated by Dr Ivan Danhof, known as 'the Father of Aloe.'

The aloe plant has been linked to aiding or preventing high cholesterol, cancerous tumors, digestion and arthritis pain, as well as general well-being effects such as boosting the oxygenation of the blood and improving skin conditions.

The manufacturer claims that PAM's exclusive new formula allows processing of the Aloe Vera plant to take place without losing any of the plant's natural curative properties. Just one capsule is equivalent to 120 mls of high-grade quality aloe juice. The capsules boast impressive, long-lasting results partly due to the geographical location that the aloe vera plants are sourced from (North East Mexico). One Tub of 60 capsules costs £35, or a tub of 120 capsules costs £60.
